Artwork
We are checking Your artwork in PC and MAC environment as well.
File type
Preferred file format: .tiff, at least 100 dpi, scaled 1:1.
In case of .tiff format please use LZW compression.
We also accept vector graphics in .ai .pdf .eps file formats.
Unfortunatelly we cannot accept Corel Draw documents.
Colour
Please work in CMYK colour mode.
RGB colours are converted to CMYK.
Pantone colours only serve to check the artwork, hence pantone codes will be matched to the closest CMYK colour when printing.
Upload
Please send your file as an attachment via e-mail under 10 MB.
In case of larger data ask FTP to upload file(s).
